## EASTERN QUESTION.

British Minister Mediating Be-  
tween Russia and Japan.

Russia to Withdraw All Her Troops  
From Manchuria With the Excep-  
tion of the Guards For  
the Railway.

St. Petersburg, Oct. 19.—A newspa-  
per published at Port Dalny is authori-  
tative for the report that the British min-  
ister to Japan, Sir Claude MacDonald,  
has undertaken to mediate between  
Russia and Japan, and, having secured  
Japan's consent to certain proposals,  
is now negotiating with Russia. These  
proposals are that Russia shall restore  
Manchuria to China, and that the prin-  
cipal Manchurian towns be opened to  
foreign trade; that Russia withdraw  
all her troops from Manchuria with  
the exception of the railway guards; that  
she renounce her forestry concessions  
on both sides of the Yatai river, as  
well as the Yungampho concession and  
that the whole country south of the  
Yatai river be admitted as belong-  
ing to Japan.

A special commission, under the  
presidency of the czar, has been formed  
to consider affairs in the far east.  
It includes the ministers of the inter-  
ior, finance, foreign affairs, war and  
of the navy, and Viceroy Alexieff; other  
members will be nominated by the  
czar. The commission will consider  
budget proposals, measures to develop  
trade and industry and proposed alter-  
ations in the laws.

Paris, Oct. 19.—Count Cassini, the  
Russian ambassador to the United  
States, has been interviewed on the  
far eastern question. The ambassador  
said that the danger of a conflict,  
which was real a few days back, seem-  
ed to have been averted, and that if  
ever a conflict came it would not be  
provoked by Russia. Continuing,  
Count Cassini said:

"Our rights in Manchuria are unde-  
niable. We made the country, which  
until quite recently was a mere haunt  
for bandits. We now have a vigilant  
police there, and, moreover, we have  
built the railroad. This does not mean  
that we intend to annex Manchuria,  
but having incurred enormous expendi-  
tures and possessing immense experi-  
ences there, we insist that these be safe-  
guarded, and we expect to reap our  
legitimate benefits. The powers under-  
stand this so well that none except  
possibly Japan seriously contemplated  
insisting that the evacuation be effect-  
ed October 8. Russia can not evacu-  
ate Manchuria before obtaining the  
guarantee to which she has a right  
from China and all Europe, including  
even Great Britain, recognizing that  
their interests are united with those  
of Russia."

## RUSSIAN FOREIGN MINISTER.

He is in Favor of An Amicable Settle-  
ment With Japan.

London, Oct. 19.—In a dispatch from  
St. Petersburg the correspondent of the  
Daily Telegraph asserts that  
Count Lamsdorff, the Russian foreign  
minister, is strongly in favor of an  
amicable settlement with Japan. The  
correspondent says also that Count  
Lamsdorff emphasizes the danger of  
external complications and the eager-  
ness of the United States to profit by a  
favorable opportunity to insist upon  
the fulfillment of Russia's pledges re-  
specting Manchuria.

## NEW REVENUE CUTTER.

It Will Take Part in the Settlement of  
a National Dispute.

Milwaukee, Wis., Oct. 19.—Milwau-  
kee's new revenue cutter will leave for  
Cleveland, O., Monday to take part in  
the settlement of the international dis-  
pute which has arisen between the  
United States and Canada over the  
fishing in Lake Erie. Orders to pro-  
ceed at once to that port and to re-  
port to the collector of customs there  
have been received by Capt. Hall, of  
the Tuscarora and the cutter will coal  
and then leave at once for Lake Erie.

## GATHERING MUSSEL SHELLS.

Valuable Pearls Found in the River  
Bed at Maurie, Ill.

Carbondale, Ill., Oct. 19.—The people  
of Maurie, a small town on the Wa-  
sh river in White county, have be-  
come excited over the finding of valu-  
able pearls in the river bed and scores  
of people are now working daily gather-  
ing mussel shells, which are selling at  
\$15 a ton. Some experienced men  
can secure a ton day. The pearls be-  
ing found range in value from \$10 to  
\$250.

## Nurse Marries a Young Millionaire.

Stillman, son of the president of the  
First national bank of New York, and

nurse at the Boston city hospital.  
There she nursed Stillman through ty-  
phoid fever.

## Rabbi Attempts Suicide.

Philadelphia, Oct. 19.—Rabbi Wm.  
M. Sprager, of New York, attempted  
suicide at the Walton hotel by swal-  
lowing morphine and cutting his  
throat and left wrist with a razor. He  
is in a critical condition at the Jeffer-  
son hospital.

Chinese Attack Russians in Manchuria  
London, Oct. 19.—Cabling from Tien-  
Tsin the correspondent of the Stand-  
ard says the Chinese governor of  
Shang Si province reports that Gen.  
Tung Fu Sing is attacking the Rus-  
sians in Mongolia.

## THE ALASKA BOUNDARY.

The American Contentions Are Sus-  
tained By the Commission.

London, Oct. 19.—The Alaskan bound-  
ary commission reached an agree-  
ment whereby all the American con-  
tentions are sustained, with the excep-  
tion of those in relation to the Port-  
land canal, which Canada wins.

Few of the morning newspapers pub-  
lish editorial articles on the decision  
of the Alaskan boundary tribunal.  
The Daily Telegraph expresses ex-  
treme satisfaction that an agreement  
has been reached because of the fail-  
ure would have dealt a blow to the  
policy, still in its frail and tender in-  
fancy, of referring differences of this  
character to arbitration. The paper  
hopes that no attempt will be made  
on either side to reckon up scores or  
claim a victory, but that the decision  
will be accepted in good faith. It adds  
that the Canadians must abide by the  
decision.

Indianapolis, Ind., Oct. 19.—Senator  
Charles W. Fairbanks, who was the  
chairman of the American contingent  
of the British and United States joint  
high commission that met in 1898 in  
Quebec to take up the Alaskan bound-  
ary question, is well pleased with  
the decision reported in the dispatches  
from London.

In commenting on the decision Sen-  
ator Fairbanks said:

"The decision of the Alaskan bound-  
ary commission is eminently satis-  
factory. It sustains substantially the  
entire American claim and is essen-  
tially a complete justification of the  
position taken by the American mem-  
bers of the United States and British  
joint high commission, which met in  
Quebec in 1898. The United States  
will now be permitted to hold all the  
territory in Alaska purchased of Rus-  
sia in 1867 without further dispute.  
Our title, which was never disputed  
until within the last few years, since  
the gold discoveries, is now quieted."

"The press reporter sent from London  
indicates that the two small islands  
at the mouth of the Portland canal are  
conceded to Great Britain; and that  
the boundary line will run along the  
northwest side of the islands and not  
along the canal as the southeast side.  
This is a matter about which there  
was some reasonable ground of dis-  
pute. The islands are small and are  
known as Wales and Pearse islands.  
They are of no great commercial im-  
portance. They were originally claim-  
ed by the United States, but if by con-  
ceding them the more important con-  
tentions of the American commission-  
ers are granted I feel that the United  
States has every cause for satisfaction  
over the terms of the settlement."

## "ELIJAH THE RESTORER."

John Alexander Dowie Faces His First  
New York Audience.

New York, Oct. 19.—John Alexander  
Dowie, who calls himself "Elijah the  
Restorer," faced his first New York  
audience Sunday, and, although Mad-  
ison Square garden was thronged at  
the afternoon and evening meetings  
and thousands were turned away from  
the doors, he found himself confronted  
with what he called a new experience  
when thousands, having evidently sat-  
isfied their curiosity, threw the meet-  
ings into confusion by their sudden ex-  
odus before the ceremonies had more  
than fairly begun.

Commands to close the doors and  
prevent exodus were unavailing and  
the prophet gave vent to displays of  
considerable perversity on finding that  
it was one thing to gather a great New  
York crowd, but quite another affair  
to command its interest after the first  
demands of curiosity had been sat-  
isfied. The house to house visitations  
by the hosts of Zion and the regular  
series of crusade meetings will be in-  
augurated Monday.
